# Junior Golf Clinics

**Steven Moreno, 1st Assistant Golf Pro  
Marty Sanchez Links de Santa Fe**

Do you want your children to learn how to play golf in a fun, educational and enjoyable environment? Steven Moreno has been teaching junior golfers for 8 years. He has been a golf instructor for over 9 years, and also has two children of his own, which helps him to understand the demands and limitations of kids. As the 1<sup>st</sup> Assistant Golf Professional, he has a great understanding of the game, making golf fun to learn and play for everyone who participates in his junior clinics.

The clinics are limited to 8 children per class, so that there is a lot of individual attention. The ages for participation are 6-15 years of age. Spots are filled on a first come basis and your child can be registered for a clinic by calling the Pro-shop at (505) 955-4402.

Each clinic runs for 5 days over a two week period and are available all summer long. The clinics run on Monday, Wednesday, Friday, Monday and Wednesday. The early clinic is from 8-9:15am and the mid-day clinic is from 10-11:15am. The first four days cover all aspects of the game and the days conclude with fun games. On the final day, the class will venture onto the course to put to use everything they have learned and snacks will also be provided.

**The price for each clinic is \$85.00**
